

Flexo

Portaposate in acciaio inox satinato (AISI 430) dal design elegante e curato.

Il fondo in acciaio satinato agevola la pulizia, i divisori in plastica sono rimovibili e permettono di personalizzare gli spazi.

Flexo si adatta ad ogni cassetto grazie alle sponde laterali mobili.

Nato dalla collaborazione con i designers "Lineaguida".

Cutlery tray made of stainless steel (AISI 430) with an elegant and elaborated design.

The satin stainless steel base makes it easy to clean. The plastic dividers are removable and allow you to customise the space.

Flexo fits in all drawers thanks to its movable sides.

Developed in collaboration with the "Lineaguida" designers.

Bandejas para cubiertos de acero inoxidable satinado (AISI 430) de diseño elegante y cuidado.

El fondo de acero satinado agiliza la limpieza, los compartimentos de plástico se pueden quitar y permiten personalizar los espacios.

Flexo se adapta a todos los cajones gracias a los lados laterales móviles.

Nacido de la colaboración con los diseñadores "Lineaguida".
